## **ADDENDUM 001** **REQUEST FOR BID (RFB) NUMBER: NE15-04B-R2**

July 16, 2014

1. In the specifications outlined in the referenced RFB for Hot-In-Place Recycling, it was stated there would be a seal after the process. This statement was made to inform interested contractors that this route is a cold mix (premix) route. This addendum is being posted to clarify the awarded vendor will not responsible for completing this seal work. MoDOT forces will seal the route after the contractor has placed the recycled material.
2. The response deadline for the submission of sealed bid responses remains no later than 1:00 PM on July 24, 2014, and all requirements and details of the RFB remain unchanged.
